

If you want a route to relief from decision-related guilt, regret, failure, exasperation and information overload, or if you are simply seeking to improve the productivity of your decisions then Decisionability is a precious skill. This simple how to system teaches you when to depend on your instincts and when to defy them, when to eliminate sophistication and when to embrace it. Packed with dozens of new concepts that are easy to remember and practical to implement, designed for non experts to use in every-day decisions in life and in business, Decisionability is empowering.
