

From the Links is a golf hall of fame, shame, and the arcane. Collected here are more than 100 of golfs greatest moments: from the famous to the long forgotten; from the links of Scotland in the 1800s to the 1938 US Open; from the 1954 US Womens Open to the 2010 Masters, and even to the little known Martini Invitational in 1971 and starring the giants of the game down to the struggling pros and amateurs. Told in whimsical fashion, these are stories of triumph, amazing holes-in-one and other feats, hilarious gaffes, classic matchups, heart-racing final rounds, trailblazing careers, monumental breakdowns, and much, much more.
