

Children and fun-loving adults will agree, Max Pixel is quite a guide to Photoshop Elements 3. The 3D-generated character takes you on an illustrated and entertaining journey through image editing with Photoshop Elements in this unique, comic-book style. With Max Pixel in the lead, you'll work your way through fast-paced missions, each consisting of multiple projects that are bright, colorful, and no more than two pages long. If you get lost along the way, help is never too far off. All of the projects include handy Help sidebars that answer your questions even before you can think to ask them! At the end of each mission, a Mission Briefing reminds you of all that you've learned before you have a chance to forget.
