

Puzzles are popular for good reason: Putting one together can improve alertness, increase concentration, stimulate creativity and promote relaxationâ€”not to mention the satisfaction of putting together a beautiful image. Renowned naturalist Stan Tekielaâ€™s 1,000-piece wildlife puzzles feature some of the most spectacular pictures available. Red-bellied Woodpecker demonstrates why these birds are so interestingly peculiar and beautiful to behold. Piece the 24 x 18 jigsaw puzzle together, and see for yourself why Stan is an award-winning nature photographer.
